VISION AND MISSION

Vision
"Every student is inspired and prepared for success in college or a career, and life"

Mission
"To provide educational excellence in every school, in every classroom, for every student, every day"

Every school. Every classroom. Every student. Every day

DUVAL COUNTY
PUBLIC SCHOOLS

OVERVIEW OF NEW SYSTEMS AND PROCESSES

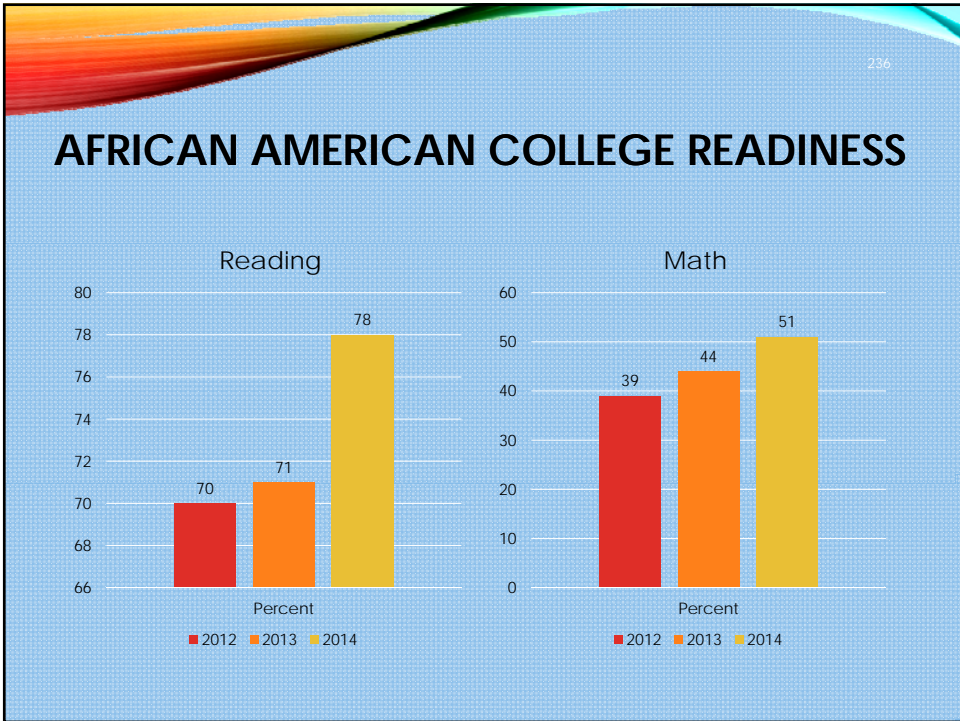

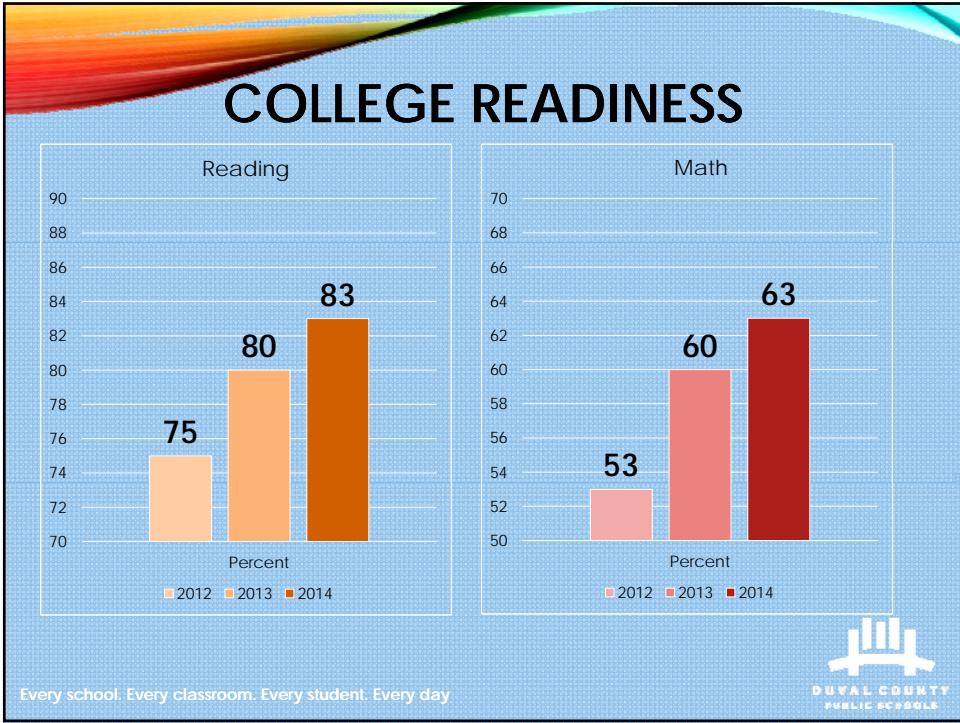

- Demand equity, acknowledge challenge, and own improvement
- Establish early warning systems and monitor data
- Ensure acceleration programs are available districtwide
- Create multiple pathways to college or workforce
- Leverage business partnerships
- Focus on human capital in historically low performing schools

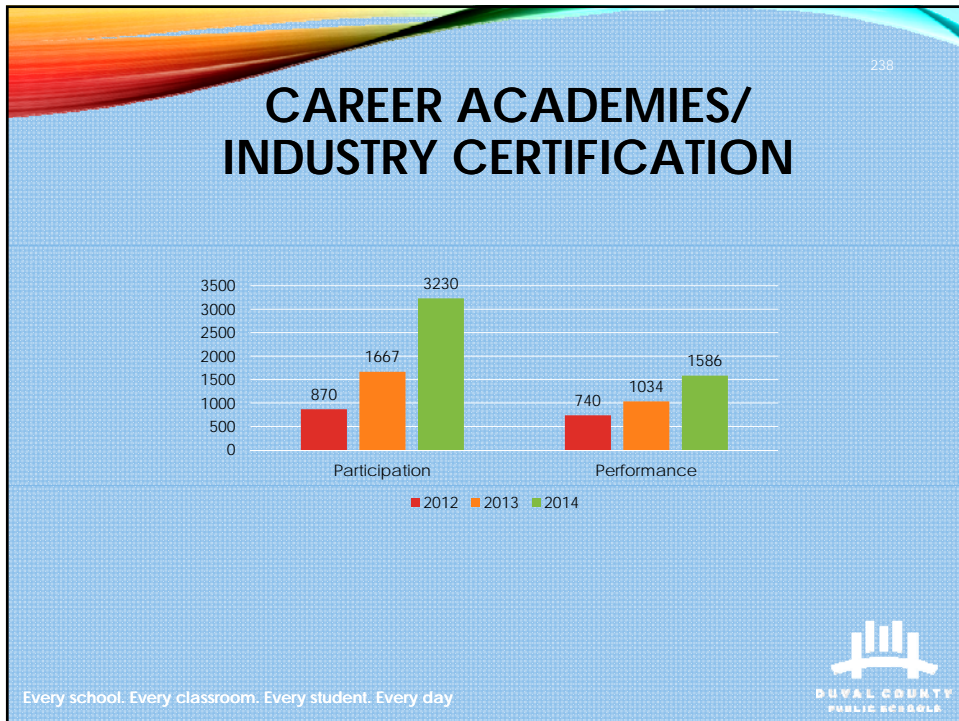

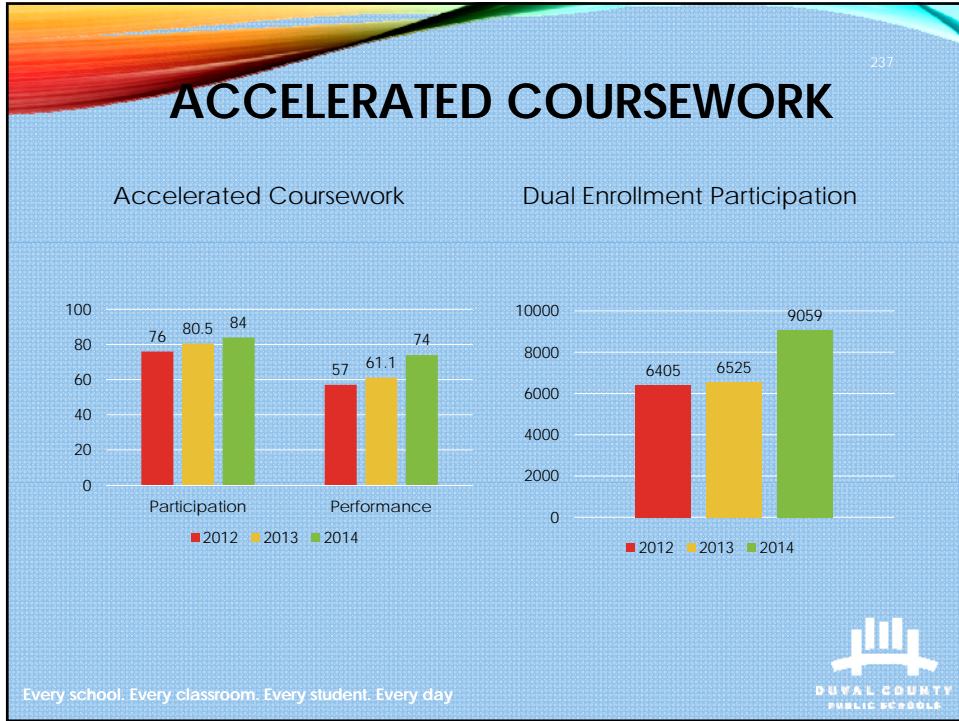

Every school. Every classroom. Every student. Every day

DUVAL COUNTY
PUBLIC SCHOOLS

NARROWING THE ACHIEVEMENT GAP

The district now ranks **1st** in math and **1st** in reading (tied with Broward) in the performance between white and African American students among the Largest 7 districts in Florida, and **2nd** in African American graduation rate.

Every school. Every classroom. Every student. Every day
